A Day at the Zoo

Maya and her classmates went on a school trip to the zoo. Everyone was excited as they got on the big yellow bus. It was Maya's first visit to a zoo.

At the zoo, the first animals they saw were tall giraffes eating leaves. Then, they saw noisy monkeys swinging from tree to tree. Maya laughed when one monkey stuck out its tongue!

Next, they visited the lion's den. The lion roared loudly and walked proudly around. Maya felt a little scared but also amazed. After lunch, they watched a seal show. The seals clapped, balanced balls on their noses, and jumped through hoops. It was Maya's favourite part of the day.

Before leaving, they bought animal stickers from the gift shop. Maya smiled all the way home, already dreaming of her next zoo visit.
