Aarav's Visit to the Fire Station

Aarav's class went on an excursion to the local fire station. The children were excited to see the bright red fire trucks and meet real firefighters.

Aarav had always wondered what it was like to be a firefighter. A friendly firefighter named Sam showed them around and explained how the team works together. He showed them the heavy gear they wear and how they slide down the pole when there's an emergency.

Aarav was amazed at how quickly they could get ready to help people. Sam let each student try on a helmet and climb into the truck.When a call came in during the visit, the team sprang into action calmly and fast.

Aarav watched them leave with sirens on and admired their courage. He said to his teacher, "One day, I want to be brave like them."
