Ava Paints her First Picture

Ava loved watching others paint but was too shy to try it herself. She thought her drawings were messy and not good enough.

One day, her art teacher announced a painting day in class. Ava felt nervous but decided to give it a try. She chose bright colours and painted a garden full of butterflies.

At first, she made mistakes, but she didn't give up. When she finished, her classmates clapped and said it was beautiful.
Even the teacher said her painting was full of life and joy.

Ava smiled and felt proud of herself.She learned that trying something new can be wonderful.
