Maya's First Bike Ride

Maya got a shiny red bicycle for her birthday. It had a bell, a basket, and training wheels. She was so excited to ride it for the first time. Her dad helped her put on her helmet. "Ready?" he asked. Maya nodded nervously. She held the handlebars tightly and began to pedal slowly.

At first, she wobbled and almost fell, but her dad held the seat and cheered her on. "You're doing great!" he said. Maya smiled. Soon, she was riding all by herself down the path in the park. Birds chirped in the trees, and the sun shone brightly.

When she stopped, her mum and dad clapped. "I did it!" Maya shouted proudly. She couldn't wait to ride again tomorrow.
